

Hectic. Chaotic. Constantly connected. Never off duty.

Our busy lives offer almost zero time to focus on our spiritual well-being. All this noise eventually affects the most important part of us: Our Souls.

It's Time to Unplug.

Nestled in the Sacramento Mountains and surrounded by the scenic ridgelines of the Lincoln National Forest, we invite you to a soul-refreshing experience.

At the Prayer Experience, you will unplug from life's constant pace and reconnect with God.
